

COAXIAL CLIP

DATA SHEET

DIRECTIONS FOR USE

LINIAN Coaxial Clips are designed to make installation of RG59 coaxial 'Shotgun' cabling faster, safer and simpler. Suitable for all substrates. For indoor and outdoor use.

Installation could not be simpler.

Drill a 6mm hole

Your pack of clips will carry instructions on the recommended diameter of drill bit required for your chosen clip.

Slide the clip over the cable

When sliding the clip over the cable, ensure that it is seated into the rounded area.

Compress the Clip & insert into the hole

The clips can be easily compressed by hand. Squeeze the clip legs and simply insert it into the hole.

TESTING AND COMPLIANCE

>1000°C melting point

Meets 90 minute fire time in accordance with DIN4102-12

Meets 120 minute fire time in accordance with BSEN50200

Compliant with the requirements of BS 8519:2010
