

### TECHNICAL DATASHEET

#### Part Numbers and Product Order Codes:-

Part Number - - - - - STB-4SE-EV  
Description - - - - - Deep Base for Evolution

Device Type - - - - - Indoor mounting base  
Computer Reference Number  
Nittan Standard - - - - - F03\_84005

#### Technical Specifications:-

Operating Voltage - - - - - 12 to 38V d.c.  
Operating Temperature - - - - - - 10 °C to + 55 °C  
Storage Temperature - - - - - - 25 °C to + 70 °C  
Relative Humidity - - - - - ≤ RH95% non-condensing.  
Material - - - - - ABS  
Dimensions - - - - - Ø104.50mm x 23.00mm  
Mass - - - - - 78g

EMC Conformance - - - - - EMC conformance to BSEN50130-4  
CE Conformity - - - - - Yes  
Standards / Certification - - - - - **Complies with EN54-5,7**

#### Analogue Termination

1 +VE  
6 -VE  
3 RIL -VE 2mA  
5 Earth
