Goodbye Ugly Smoke Alarms! Inject Some Style Into Fire Safety With The Award-Winning Chick-a-Dee Designer Smoke Detector

Discount Fire Supplies are now stocking the Dutch-designed Chick-a-Dee smoke detector as part of their growing range of battery smoke alarms. The Chick-a-Dee is an innovative product where flair meets function, transforming rooms while protecting loved ones from the dangers of fire.

“Chick-a-dee-dee”, that's the sound the stylish [Chick-a-Dee Smoke Detector](#) makes when it first detects smoke. If the danger grows, an incredibly loud 85dB “dee-dee-dee” alarm will sound – that's loud enough to wake even sleeping children.

In 2006 Dutch student designer Louise van der Veld tackled the problem of ugly smoke alarms by combining stylish design with the latest [smoke detector](#) technology. Inspired by tales of canaries down mine-shafts (the little songbirds have an impressive ability to detect toxic gas), she modeled her design on the distinctive Black-Capped Chickadee and it's song. The result was a breathtaking piece of design which would add charm to any room as well as protect lives.

““Chick-a-dee-dee”, that's the sound the stylish Chick-a-Dee Smoke Detector makes.”

Years on, the Chick-a-Dee has won awards, gained popularity around the world and is now available to purchase internationally. Impressed by the innovation of the Chick-a-Dee and keen to expand the number of stylish products on their website, Discount Fire Supplies has recently become one of just a few companies in the UK to sell the smoke alarm with a difference.

Easy to install and use, the Chick-a-Dee perches securely on a ceiling mounted branch, surveying all it sees and sounding the fire alarm whenever it detects smoke. The Chick-a-Dee looks fantastic in any environment, from chic contemporary lounges to kid's bedrooms. It can also be used to educate children about fire safety in a fun and engaging way – listen to the birdy!

The [Chick-a-Dee Designer Smoke Detector](#) is available to purchase on [discountfiresupplies.co.uk](#) immediately for the competitive price of just £49.98.
