Discount Fire Supplies Now Stocking The Howler Call Post

Discount Fire Supplies have recently added the Howler Call Post, a professional mounting board for Howler site alarms, to their range of fire safety products.

Discount Fire Supplies, retailers of fire alarm systems and LED emergency lighting, have recently added the Howler Call Post to their product range. The Call Post is a tough, powder-coated backboard that has been designed to allow for easy and efficient mounting of any Howler site alarm.

Howler site alarms are designed to communicate a manually activated fire alarm in the clearest way. Their compact, slim design makes them very versatile, enabling installation in virtually any location. One example of a site alarm from Howler, is the Howler Site Alert with Strobe. Available from discountfiresupplies.co.uk, this site alarm combines a high-intensity LED strobe with a built-in sounder capable of outputting an alarm of 100dB at a 1m distance.

The Howler Call Post can be used to mount any site alarm from Howler and is designed to add speed to installation as well as adding a touch of class. Constructed from stainless steel and powder-coated red for high visibility, the Call Post can be fixed to walls, trolleys and fences. It is ideal for use on building sites and can be easily relocated as the construction develops. It's tough, durable make-up means the Call Post can not only be used around one site but can easily withstand being transferred from site to site.

The Call Post comes complete with the statutory 'Fire Action' notice and and call point symbol and has a space to allow labelling for identification purposes. The Call Post has pre-drilled mounting holes and comes with all the necessary fixtures and fittings to suit any Howler site alarm.

The Howler Call Post is available from Discount Fire Supplies for £44.99 (+VAT) and can be purchased on their website using the discount code 'ONLINEONLY' to receive a further five percent off the price.

About Discount Fire Supplies:

Discount Fire Supplies is an online retailer of fire alarms and safety accessories and aims to become the UK's premier fire alarm supplier. They have a large stock-holding and good relationships with all major manufacturers allowing them to be competitive on price and choice. Orders placed before 2.30pm are dispatched same day and delivery is free on orders over £100.

All enquiries can be directed to Tariq El-Hoss on 01792 452 700 or info@discountfiresupplies.co.uk.
